

Dine[®]
Smart

M e l a m i n e W a r e

Company Overview

With over 30 years of excellence, DineSmart is a pioneer in **Premium Melamine Tableware**. Our legacy combines design, durability, and trust—serving households, retail chains, hospitality, and export markets with functional yet stylish products.

Mission Statement

To create thoughtfully designed tableware that enhances the dining experience, uniting people through quality, design, and dependable service.

Our Story

Starting with a modest setup, DineSmart has grown into a household name in tableware through innovation, quality craftsmanship, and a strong partner network. We've embraced manual artistry as well as cutting edge processes to stay ahead.

Vision Statement

To become a globally respected name in sustainable and stylish tableware present on every dining table, from homes to hospitality.
